Drop-Off/Pick-Up Hours – You may drop off or pick up your cat(s) between 10:00 a.m. and 7:00 p.m., seven days a week. Please contact us at least several hours prior to your drop-off or pick-up time to verify someone will be present to meet you. If necessary, we can make arrangements for you to drop-off or pick-up your cat earlier or later than the above times. However, if you pick your cat up after 7:00 p.m. you will be charged for that night's stay.

Health: All medications must be labeled with your cat's name, owner's name, vet's name, instructions, and what the medicine is for. Prescriptions in pill form or special diets are not a problem. However, we cannot administer injections or subcutaneous fluids. Bring only the amount of food needed in a re-sealable container with the cat's name on the outside.

We take every measure to maintain a healthy environment for your cat while boarding with us. However, if your cat becomes ill while in our care, we will not hesitate to take your cat to the nearest vet if your vet is not available. We will keep your vet information on file so that we can make sure your cat will get the best care possible if they become ill in our care. If necessary, your cat will be rushed to the Emergency Veterinarian Service in Saint George. You will be responsible for any veterinarian fees, medications, and any other related expenses. We will make every effort to contact you for your approval prior to seeking veterinary treatment for your cat. However, if we deem the situation critical, we will immediately rush your cat to treatment and contact you as soon as is practical.

We are fanatical about cleanliness. Little Haven will be cleaned daily and is completely disinfected as soon as each boarder checks out.

Favorite toys, food dish or blanket: You can bring your own toys and small towel or clothing that can be laundered. We do not wash everyday; therefore, sometimes we may send back items dirty in a plastic bag.

You may bring food/water dishes. They will be washed twice a day. We are happy to supply food/water dishes for your cat(s). Please do not bring large items like a cat tree, but you can bring your kitty's favorite toy(s). You may also bring a shirt with your scent on it, which lasts about a day. We will remove items if they become dirty. We cannot be responsible for any item that gets lost, damaged, discolored, or bleached in the dishwasher/laundry.

Litter box problems: We do accept outside cats or cats that don't use the litter box. We will simply clean up any messes that occur.

Miscellaneous: All cats must arrive and leave our facility in a carrier. The carrier will remain at Little Haven in the event of emergency transport.

During your kitty's stay, we may take pictures of the boarding facility and enclosure to be used for informational and marketing purposes on our website, etc. In the case that your kitty's picture is used, we are more than happy to share the picture(s) with you. It's a really fun and unique way to show your friends and family what camp is like for your favorite furry friend! Please note that your cat's picture may be altered for the purposes of publication. We retain the rights to such image(s).

Cancellation Policy: Please let us know if there are any changes in your plans as soon as possible so we can try to accommodate your schedule.

I have read and agree to all of the Cat Boarding Policies listed above.
